Words from the Library Manager

Hello!

You may have noticed the library was closed for a couple of days to change over to a new library software for staff and to update the library catalog. The transition went smoothly, but if you are experiencing any problems with your library account, please call (805 929-3994) and we will try to sort them out.

The Summer Reading Program for adults and children is just around the corner. Visit the library homepage (www.slolibrary.org) or the Nipomo Library for more information. Also, Nipomo Library will once again be a host site for providing free lunches to children during the summer.

For the gardeners out there, we have some summer vegetable, flower, and herb seeds in the seed library. I always love to hear your gardening stories.

See you at the library!

Heidi LoCascio, Library Manager

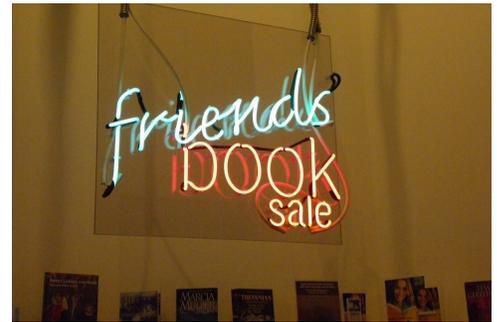

The Friends of the Nipomo Library Board's next meeting is scheduled for Wednesday, May 11, at 2:00 p.m. The meeting will be held in the Community Room at the library. The public is always welcome.

May 14, 2022

10:00 a.m.–2:00 p.m.

The Friends are again holding a book sale outdoors due to popular demand. We will be highlighting fiction, nonfiction, paperbacks, children's books, DVDs, CDs, and puzzles. All Friends members will receive two free tickets upon entering. Each ticket is good for one fiction, nonfiction, or paperback book.

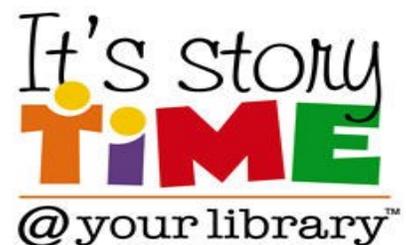

Donations
are GREATLY
appreciated!

Donations Wanted

We are still accepting donations. We particularly need children's books and magazines. We are also always interested in getting items in good condition for the silent auctions.

Nipomo Library Preschool Storytime Is Back

Storytime for all preschoolers, from ages 0–5, is held every Wednesday at 10:30 a.m. Join Heidi, our Library Manager, for stories, music, rhymes, and much more. It is so much fun and enriching for your little one, so don't miss it!

May Silent Auction

Don't miss the Silent Auction appearing in the Friends display window on Tuesday, May 3. As always, we will offer a delightful array of items that our generous library patrons have donated. You never know what is going to turn up in a Silent Auction window, so don't forget to check it out!

Tidbits from the Library

The new library software has been installed. If you have questions or problems, just check with the staff at the front desk. They are happy to help you.

It is that time of year to begin thinking of your spring/summer garden. The library has a wide variety of seeds available in the Nipomo Seed Library. Heidi, the Library Manager, is an avid gardener, so she will be happy to help you get started.

The Friends are still collecting donated books in good condition. You may drop them off at the library during business hours or, if you have a large donation, please call Susan at 805 929-5123.

The Friends are also collecting very gently used items for the Silent Auction. You may drop them off at the library also.

Don't forget to enjoy the outdoor reading experience, the Tale Trail. It is for you and your child to share together.

Children's summer programs will be back this summer as well as the Summer Reading program for all children and adults.

The Summer Lunch Program at the library will also return. Lunch will run for nine weeks, from June 14 through August 12, and will be served on Tuesday, Wednesday, and Thursday. It is for all children age 0-18.

Happy Cinco de Mayo!

Happy Mother's Day!
