Words from the Library Manager

Hello, all. Happy New Year!

What's new for 2022? The library will have new business hours starting in January. Keep reading this newsletter for the full description.

Nipomo Library is bringing back in-person preschool storytime beginning on January 12. We will start out with a shortened version and hope that COVID restrictions do not force us to cancel.

Parents! A three-session virtual parenting class based on the book *The Whole-Brain Child* is offered through the library starting in January. Please register in advance by going to Events at www.slolibrary.org.

The library is continuing to offer virtual Zoom programs for adults, teens, and children. Check out the library Events Calendar at www.slolibrary.org for programs, dates, and times.

See you at the library! — Heidi

Tidbits from the Library

Check out the January Silent Auction in the window near the circulation desk. The auction will run through the month of January. We have many great offerings this time, so be sure to check them out.

The Friends are still collecting donated books in good condition. You may drop them off at the library during business hours or, if you have a large donation, please call Susan at 805 929-5123.

The Friends are also collecting very gently used items for our upcoming silent auctions. You may drop them off at the library also.
